 - Reserve place for World Bank

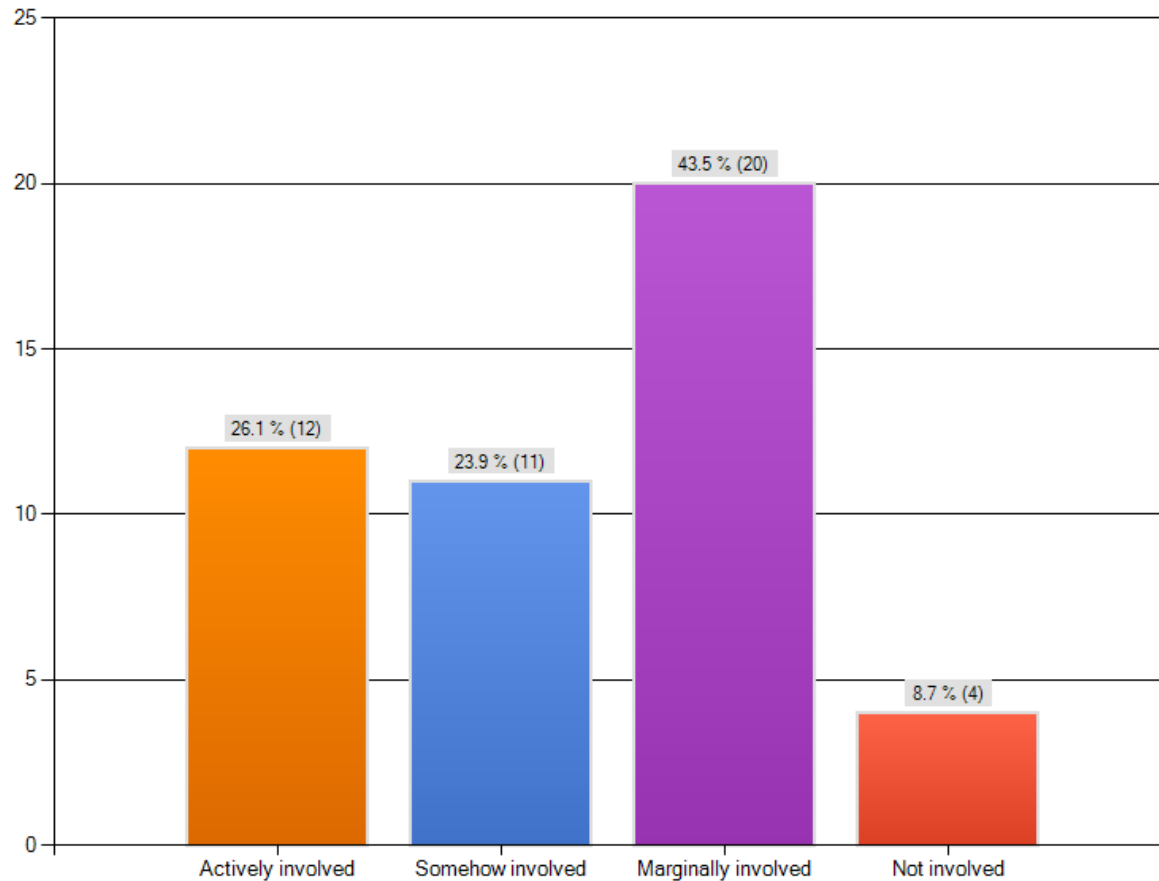

Membership

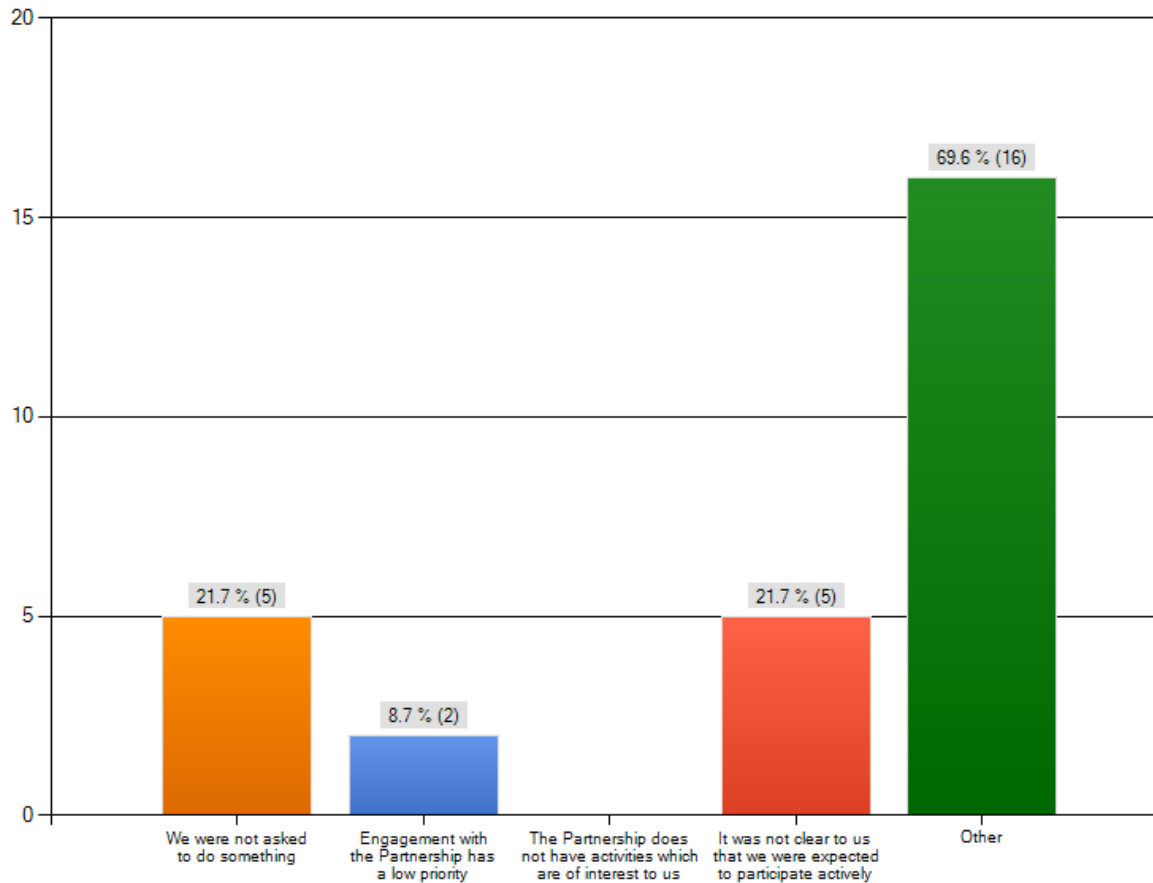

- No major membership drive, however no membership stop;
- Maintain “freeze” on private sector members representing vehicle and fuel industry;
- Formalize linkage with EST forum in Asia and Latin America as means to involve governments in SLoCaT

Current level of engagement with SLoCaT?

If “low” or “marginal” involvement, why?

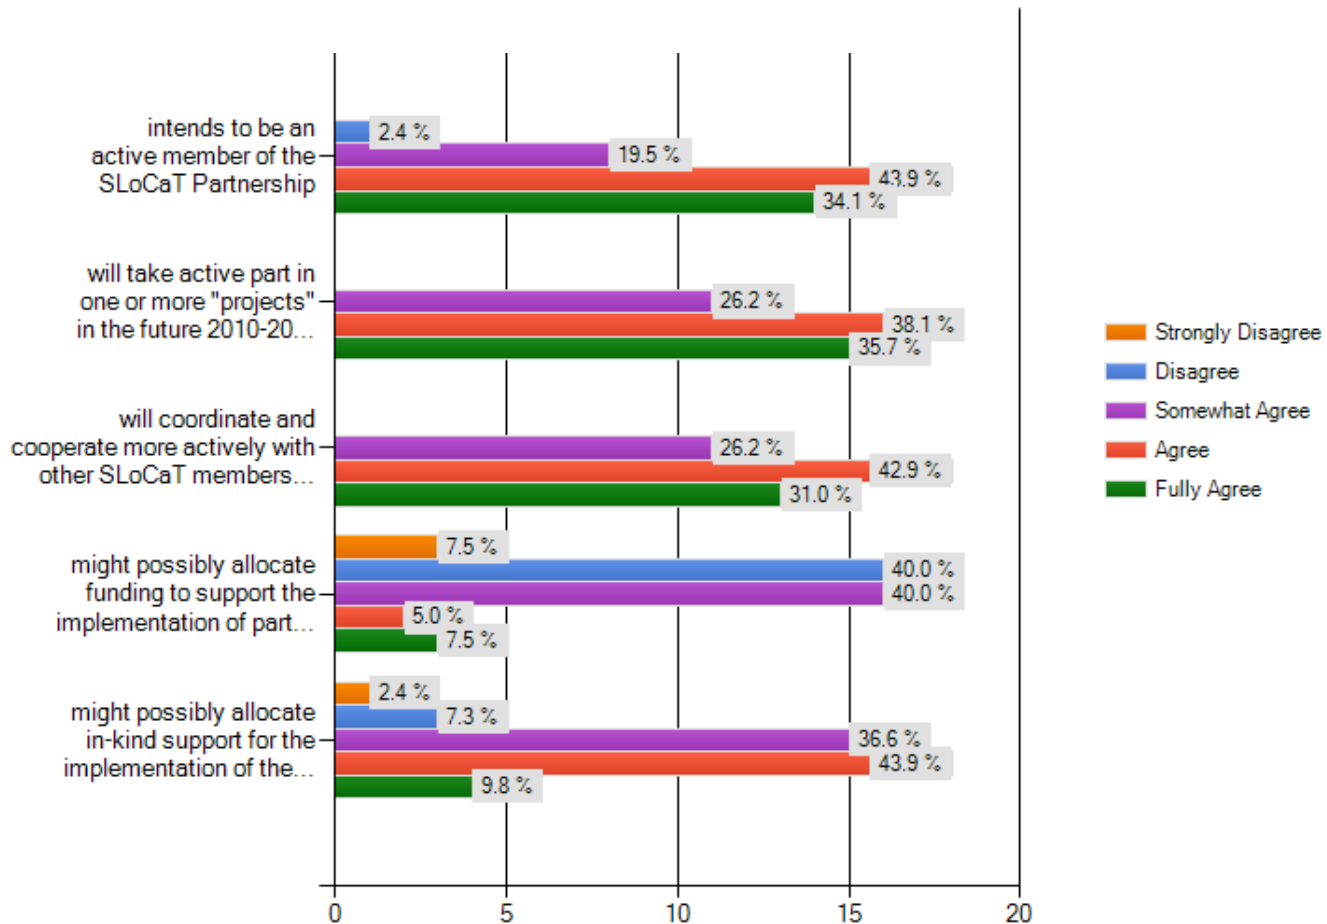

Others:
Combination of limited capacity, other priorities, not enough dialogue

Engagement with SLoCaT in 2010-2011?

In the future planning period of the Partnership (Work program May

Actions to improve membership engagement

- Better documentation of Members activities
- Improve communication tools for SLoCaT focal points (combine email with dedicated online discussion platform)
- Broker and facilitate joint activities between SLoCaT members
- Consistent follow-up's on requests for inputs by Convener's Office
