

Transport Decarbonisation Alliance (TDA) Work Program 2018

Mark Major

*Sustainable Low Carbon Transport Partnership
(SLoCaT)*

Communities of Interest (Col)

- **3 Cs Communities of Interest:**
 - TDA members can benefit from **exchanging information on best practices**, common challenges and bottlenecks and solutions to overcome
 - **Joint learning**, sharing and exchanges on concrete topics among 3Cs TDA members
 - Topics of **common interest** selected by TDA members

Communities of Interest (Col)

- **Initial Communities of Interest:**
 - 1) Green Urban Freight** (led by the Netherlands) – May 2018 onwards
 - 2) TDA Fast Track to decarbonisation** for CCC (led by Paris Process on Mobility and Climate) – May to September 2018

TDA Reporting

- **Members:** Information on transformative cutting-edge initiatives related to decarbonisation for each member annually
- **Members:** Reporting on overall progress

TDA Engagement Strategy

United Nations

Framework Convention on
Climate Change

- **Key UN processes:**

- UNFCCC process
 - Global, Regional and Local Talanoa Dialogues State / Non State Actors
- Global Climate Action Summit (Sep 2018)
- Review of SDG HLPF
- UNSG Climate Summit (2019)

- **Key events:**

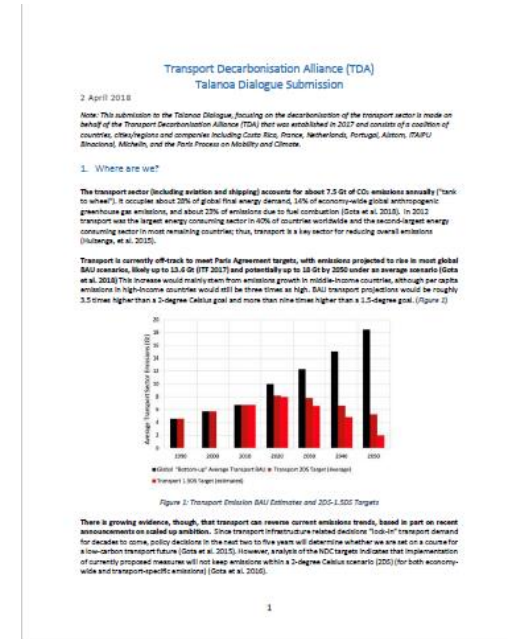

- Movin' On by Michelin (May 2018)
- G20 and G7 (French Presidency in 2018)
- One Planet Summit follow up Sept 2018

- **EU policy processes**

Examples of action

- UNFCCC Talanoa Dialogue:
 - Formal submission
 - Participation in May 6 dialogue with UNFCCC Parties
 - Regional and National events in 2018
 - Second submission (October 2018)
- Position Papers
 - EU emissions standards cars, vans and HDV
 - Transport in revised EU ambition

Organisation building

Membership

- Expand membership
- Supporting organizations (e.g. C40, ITF, WWF)

Communication

- Maintain promotional materials (e.g. website)
- Communication with Members

Process

- Budget and financial arrangements
- Build Secretariat
- Governance
- Steering Committee
